

OUR ITALIAN REPORT FROM LUNDE (NORWAY)

Today we want to tell you about our experience in Norway (from 29th November 2015 to 5th December 2015).

We are four secondary school pupils of the IC "Bagheria IV - Aspra" situated in Aspra. We introduce ourselves: Sofia (class 2A), Serena (class 2B), Alessio and Flavio (class 3A).

Once at the airport of Torp in Norway, Anders, a Norwegian school teacher, picked up with the school bus and took to a hostel in Lunde. The evening our teachers went to dinner to a Chinese restaurant but we decided to stay in the hostel to play together.

The next day we headed to the school where we met our European schoolmates, young Greeks, British, Polish, Norwegian, Maltese and Estonian and in groups, we worked a special material, felt type to make sort of seat cover.

In the evening, to know us much better, we went to the school for a dinner offered by the mayor of the town of Lunde and on that occasion each country presented a video, a song, or a dance; we introduced ourselves with our typical dance: tarantella we made a great impression.

On Tuesday and Wednesday we continued the project activities within the school and in the evening, we had dinner in the hostel with pizza and played between us. On Tuesday we also went ice skatingwe all fallen a couple of times but it was fun. We also roasted bread and sausages using twigs, in a forest near the ice rink.

On Wednesday evening it was organized an international dinner, where each state prepared some dishes that then together we tasted.

On Thursday we presented the work carried out and after we went to visit an agrarian school.

The Agrarian School and the surroundings

In the evening all the guys met in the hostel to eat pizza and play games together.

On Friday we went to visit the city of Oslo where we bought a few souvenirs and ate at McDonald's with our teachers. We visited many places and we visited a park where we fed the ducks. We returned to the hostel at about eight in the evening and had dinner. On Saturday morning around nine we took the bus to the airport and here “finished our adventure”.

We hope to repeat an experience like this!
